Hi [REDACTED] and [REDACTED]

b6
b7C

I have about a half hour left before my Wednesday February 3rd is over. I wanted to make sure these responsive documents were sent to you and [REDACTED] via email, today, as we had agreed. Thanks, again, for your cooperation in extending our time to respond up to and including today.

As a matter of business course, I have sent you a Response to Subpoena cover pleading which reflects the typical comments and objections as are prudently required in this circumstance. More important, I also attach the following in specific response to the subpoena:

Lastly, I am still chasing down [REDACTED] I believe these may include [REDACTED]
[REDACTED] Once I have those I will immediately provide them to you both. Of course, if any other documents, responsive to this request should be discovered, those documents, also, shall be produced.

b3
b7E

Please, do let me know if you have any questions or require any additional information.

Best regards,

I am still working on preparing these documents. I was wondering if I can have until Wednesday of next week. That would be 3 February 2016. I should have all of the [REDACTED] responsive to this request gathered by then.

Thanks for your consideration.

I hope the snow has subsided and you are able to get into your office!

Best regards,

Hello Ms [REDACTED]

I sure hope the storm lets up even for a day to allow normalcy. Thanks for the extra time, I do appreciate it. Just to clarify, is sending you responsive documents enough to comply with the subpoena? If you need an actual person to appear there I need to determine who I can send. (Responsive documents usually suffice but want to be positive)

Thanks!

Best regards,

Thank you for your message. As you've probably heard, we experienced a rather large snow storm in the DC area, and as such, our office is closed today and possibly again tomorrow.

With that said, if you need a few days to respond to our request, we completely understand. I hope to be back in the office tomorrow, but will likely return Wednesday. Please email me again at this address should you have further questions and/or concerns.

Respectfully,

[REDACTED]

Special Agent [REDACTED]

I tried calling your telephone this morning to no avail. It does not allow me to leave you a message. I am responsible for gathering responsive documents you requested in the above captioned matter. I am doing my best to recover as many of them as possible. If I can, I will deliver them, electronically, to this email address. Please, let me know if that is acceptable. Hopefully, I can do this tomorrow, 26 January 2016, however, let me know if I can have until the end of this week to be sure I have sufficient time to meet this request.

Thank you for your anticipated cooperation, understanding and reply.

Best regards,

Hi [REDACTED] and [REDACTED]

b6
b7C

I have about a half hour left before my Wednesday February 3rd is over. I wanted to make sure these responsive documents were sent to you and [REDACTED] via email, today, as we had agreed. Thanks, again, for your cooperation in extending our time to respond up to and including today.

As a matter of business course, I have sent you a Response to Subpoena cover pleading which reflects the typical comments and objections as are prudently required in this circumstance. More important, I also attach the following in specific response to the subpoena:

course, if any other documents, responsive to this request should be discovered, those documents, also, shall be produced.

Please, do let me know if you have any questions or require any additional information.

I am still working on preparing these documents. I was wondering if I can have until Wednesday of next week. That would be 3 February 2016. I should have all of the [REDACTED] responsive to this request gathered by then.
Thanks for your consideration.

I hope the snow has subsided and you are able to get into your office!

Hello Ms [REDACTED]

I sure hope the storm lets up even for a day to allow normalcy. Thanks for the extra time, I do appreciate it. Just to clarify, is sending you responsive documents enough to comply with the subpoena? If you need an actual person to appear there I need to determine who I can send. (Responsive documents usually suffice but want to be positive)

Thanks!

[REDACTED]

Thank you for your message. As you've probably heard, we experienced a rather large snow storm in the DC area, and as such, our office is closed today and possibly again tomorrow.

With that said, if you need a few days to respond to our request, we completely understand. I hope to be back in the office tomorrow, but will likely return Wednesday. Please email me again at this address should you have further questions and/or concerns.

Respectfully,

[REDACTED]
